Membership Guidelines

The Club is intended to be composed primarily of couples.

It is expected that a member will either (i) will have a designated dance partner, who is also a member (Couple Membership) or (ii) is actively seeking a dance partner from outside the Club who will become a member (Single Membership).

Any person desiring membership shall submit a written application to the board of directors.

A membership term begins on September 1 and expires on the following August 31 (a Dance Season). Dues for new members are prorated based upon number of dances remaining in the season.

Member privileges include 9 dances per year, Tuesday/Thursday morning dance practice, eligibility to vote, and to hold office.

After the first year of membership, each member must co-host at least one dance per dance season.

“Couple Members” - two persons who have designated each other as dance partners. Couple membership for the 2026/7 season is \$360, ie. \$180 per person. Couple Members may invite guests to Club dances as couples or single persons, but any person may not be a guest more than two times in a Dance Season (the 2X rule).

“Single Members” - do not have a designated dance partner. Single members may choose to pay \$180 and be subject to the 2X rule (any person may not be a guest more than two times in a Dance Season), or pay for two persons, ie. \$360, and in addition to guest invitation privileges as described above for Couple Members, invite any single person to a Club dance as their partner without limitation by the 2x Rule.
